I would recommend  
making a contribution  
of \$1000 or \$1500!

(We had no delegate at  
the meeting last year  
on account of hearings  
in Wash., I had to  
cancel)

Dear Dr. Hockett:

The 1983 Deuel Conference on Lipids will be held March 2-5 at the Highlands Inn near Carmel, California. Dr. Michael Schotz, Program Chairman, has announced a preliminary program which is as follows:

Title: "Metabolism of Circulating Lipoproteins with  
Emphasis on the Molecular Mechanisms Involved  
in Regulation"

Tentatively, presentations will cover the following subject areas: historical development of the lipoprotein transport field; role of lipolytic enzymes (lipoprotein lipase; hepatic lipase and LCAT) in lipid transport; role of the enzymes in formation of LDL, HDL and remnants; comparison of the lipoproteins in different species and the transport of lipid soluble vitamins. A tentative list of speakers includes: Donald Fredrickson, Thomas Olivecrona, Jayme Borensztajn, Richard Havel, Yechezkiel Stein, DeWitt Goodman, Joel Goldstein and Hans Jansen.

Because of past support from The Council for Tobacco Research-U.S.A., Inc. for Deuel Conferences, we are informing you of the tentative program for the coming conference, and we are soliciting your support for the 1983 conference. Deuel Conference policy now is that donors of \$1000 may have the privilege of sending one representative and those contributing at least \$1500 may send two representatives to participate in the conference.

As in the past, the Deuel Conference maintains an informal atmosphere, encourages free and open discussion, and is a forum for the presentation of new and unpublished data in rapidly developing new fields of research.

For your information, I enclose a copy of last year's program. We would be grateful for your early decision on support for the 1983 conference. If you are able to support the conference, please make the check payable to "The 1983 Deuel Conference" and send it to my attention at The Hormel Institute.

Sincerely,

Ralph T. Holman  
Chairman,  
Funding Committee
